

CARACTERÍSTICAS DEL SATÉLITE SATELLITE CHARACTERISTICS

GENERAL

Fabricante | Space Systems Loral
Fecha de lanzamiento | 07/02/2013
Lanzador | Arianespace
Posición orbital | 61° Oeste

PLAN DE FRECUENCIAS

Transpondedores operativos | 33 Ku + 19 C

COBERTURAS

Descripción | **Ku**: norte de África, Sudamérica, Europa y Brasil
C: América
Polarización | Lineal

GENERAL

Manufacturer / Space Systems Loral
Launch date / 07/02/2013
Launcher / Arianespace
Orbital position / 61° West

FREQUENCY PLAN

Operational transponders / 33 Ku + 19 C

COVERAGES

Description / **Ku**: North America,
South America,
Europe and Brazil
C: America
Polarization / Linear
